

Auction Money Generator program is a comprehensive body of work that guides its members in a step-by-step fashion to from setting-up an ebay account to:

- Building a successful ebay shop business with multiple accounts;
- Creating an extensive subscriber list to secure future revenues;
- Directing traffic to non-ebay shop web-sites;
- Learning how to negotiate with overseas suppliers;
- Drop Shipping;
- Benefiting from Social Media;
- Expanding Affiliate partners to ensure silent & significant revenues;
- Creating links within ebay – legitimately using the full power of the AboutMe page and ebay’s HTML capabilities (no technical knowledge required);
- Adding videos to listing/auctions;
- Making money from Blogs
- Understanding Clickbank;
- Given access to a huge database of suppliers;
- Introduced to Strategy and Competitive analysis tools;
- Access to sales & revenue template, making it easy for year-end reporting;
-and joining a community of like-minded people sharing an ever increasing pool of knowledge!

To complement the above material there are over 25 videos, numerous downloadable templates for easy tweaking and audio files so people can learn whilst on the move.
